Disclaimer

Dutch Institute for Schema Therapy hereby grants you access to the website www.schematherapy.nl (hereinafter: "the website") and publishes texts, images, products and other materials.

Dutch Institute for Schema Therapy reserves the right to change the content of the website at any time or to remove parts of it without having to inform you. Dutch Institute for Schema Therapy makes every effort to update and/or supplement the content of the website as often as possible, but has no obligation to do so. The information on the website is offered without any form of guarantee or claim to correctness.

In particular, all prices on the website are subject to apparent typing and programming errors. Dutch Institute for Schema Therapy is not liable for the consequences of such errors. No agreement is made on the basis of such errors.

Dutch Institute for Schema Therapy is not liable for damage of any kind, arising from or resulting from the use of the (information on) the website. In addition, Dutch Institute for Schema Therapy is not liable for the inaccessibility and/or availability of the website as a result of a malfunction. Nor is Dutch Institute for Schema Therapy liable or responsible for failures in networks of third parties through which access to the website is obtained.

Dutch Institute for Schema Therapy excludes all liability for any direct or indirect damage, of whatever nature, arising from or in any way related to the website.

The website and all parts thereof are the property of Dutch Institute for Schema Therapy. All intellectual property rights relating to the website and all parts thereof are vested in Dutch Institute for Schema Therapy insofar as these rights do not rest with third parties. Without the prior written permission of Dutch Institute for Schema Therapy, it is not permitted to publish, multiply, store or offer for sale in any form whatsoever the website, parts of the website, information obtained from the website, products shown on the website or other material shown on the website.
